

My Offer to Kidney Sufferers

I will give you a full dollar's worth of my remedy free to try without cost or deposit or promise to pay.

I could not make this offer a full dollar's worth free if mine were an ordinary kidney remedy. It is not. It is a remedy that cures the cause of kidney trouble. It is a remedy that cures the cause of kidney trouble. It is a remedy that cures the cause of kidney trouble.

When I was "suffering" I did not mean the ordinary sense of illness, thought, action, or feeling. I mean the automatic sense, which is the sense of the body, and which is the sense of the body.

I have written a book on the kidneys which will be sent to you free. This book explains fully and clearly how the kidneys work, and how they can be kept in good health.

For a free copy of this book, and a full dollar's worth of my remedy, send me your name and address, and I will send you the book and the remedy.

Dr. Shoop's Restorative

plete details of General Kuroki's losses have not yet reached the Government, but it is already known that the Japanese reports are greatly exaggerated. The reports that sixty-six guns and many hundred cars were left behind in the stock fell into the hands of the Japanese.

No new general mobilization has been ordered, and it may not be necessary. Of the 20,000 reservists mobilized last fall, 10,000 and the Fourth Army Corps, numbering 20,000, are now beginning to arrive in the far East.

If the Japanese army totals 20,000, when he reaches Harbin of that, for instance, is to be the new base, he will have an army of about 20,000 without summing additional reserves. Some military units, like a division of the guards, might be sent without further mobilization.

POLISH WORKING CLASSES GREATLY EXCITED OVER MOBILIZATION PLANS.

Warsaw, March 19.—(N.Y. press.) Now that most of the strikes are ended, the workingmen are beginning to enter into the threat of revenge on such of their fellows as refused to quit work with them. On Saturday a foreman who had refused to join the strikers was fatally stabbed, and today a workingman was killed while on work was shot and severely wounded. The authorities fear that these incidents are only the beginning of a series of such outrages.

The working classes are greatly excited in anticipation of orders for mobilization. The men are determined to offer violent opposition. Several articles have appeared in the press, and the authorities are greatly alarmed.

The mobilization is expected to begin in a few days. The workingmen are determined to offer violent opposition. Several articles have appeared in the press, and the authorities are greatly alarmed.

LINEVITCH'S REAR GUARD IS NOW SIXTY-SIX MILES NORTH OF FALLEN MUKDEN

General Linevitch's rear guard, consisting of the Russian army, which has been ordered to retreat, is now sixty-six miles north of Mukden. The Russian army is now sixty-six miles north of Mukden.

The Japanese are conducting a flanking operation on the right, and from the Russian column the Japanese batteries are visible, keeping pace with a short distance away.

The Red Cross detachments of all of the intermediate stations to Harbin are working night and day, operating bandaging and feeding the wounded.

The Chinese population are leaving the city for Kiam, and the latter question is therefore growing critical. The Russian army is now sixty-six miles north of Mukden.

On Saturday, while the correspondent was proceeding about with the rear guard, he stopped at a Chinese village, where several natives came to the house, and asked permission to accompany the column with their guns.

The Japanese have ordered all Chinese in Mukden having Russian money to appear at the police station and exchange paper and silver money for Japanese notes.

The mistake was made, before the destruction of several Russian commissariat depots, of issuing permits to private soldiers to whom officers had given requisition slips.

TWO DOZEN MEN MEET DEATH IN MINE DISASTER

Ten Are Killed by Gas Explosion and Fourteen Rescuers Come to Similar Fate.

SHOCKS AND FLAMES TERRIFY NEIGHBORHOOD.

Thousands Gather About Mouth of Shaft, but Breaking of Machinery Prevents Rescue Work.

Charleston, W. Va., March 19.—As the result of the horrible explosion in the Rush Run and Red Ash mines near Thurmond last night, twenty-four men now lie stark in death in the two mines.

Ten of these were killed in the explosion. Sixteen others were killed in the explosion. Sixteen others were killed in the explosion. Sixteen others were killed in the explosion.

The first explosion seemed to shake the foundations of the mountains, and the only twin shaft from the two neighboring mines was left in the air.
